

Ticket Day Procedure

Tickets for the Studio E Dance Recital will go on sale **Monday, May 16 at 5:30 p.m.** at the Studio. All tickets will be sold as reserved seating. Tickets will continue to be available for sale until recital date. There is a one time RECITAL FEE of \$35 which includes your first 2 tickets. Additional tickets are \$5.00. If seating is still available – tickets will also be available at the door.

To streamline the process and not see people waiting for in line for long periods of time, we are going with the process of assigning a number as you arrive and calling numbers starting at 5:30 – front to back of room.

PROCESS

- Upon arrival you are given a number
- **Please arrive with your Ticket Form completed and Payment Ready (cash or check – exact amount greatly appreciated). Extra copies will be available on desk if you have forgotten.**
- We will review your order – get special requests (handicapped, prefer back of room for sight or sound reasons, easy access to get back to dressing room if needed, etc), take payment, form marked with your number.
- We will process and place tickets in envelopes for pick-up starting Monday, May 23.
- Every person occupying a seat must have a ticket – meaning if your dancer plans to sit with you at any point, they must have a ticket.
